(54) CRIME PREVENTIVE CONTAINER OF SINGLE CD SERVING ALSO AS DISPLAY STAND

(57)Abstract:

PROBLEM TO BE SOLVED: To provide a crime preventive container of CD which can also serve as a display stand and which can firmly hold a single CD and can be read out as it is by a bar code reader.

SOLUTION: The container includes a container body 10 having an opening 12 on its side, through which a CD case can be put in and taken out by prallelly moving it, a locking piece 16 extending downward from the top end of the opening 12, a locking mechanism 17 which protrudes toward the inner side of the lower end of the body 10 and has a retractable locking member, and a leg part 20 having the same height as the lower end of the mechanism 17. Thus a single CD having low strength can be surely held and can be read out as it is by a bar code reader.

LEGAL STATUS

[Date of request for examination]

[Date of sending the examiner's decision of rejection]

[Kind of final disposal of application other than the examiner's decision of rejection or application converted registration]

[Date of final disposal for application]

[Patent number]

[Date of registration]

[Number of appeal against examiner's

decision of rejection]

[Date of requesting appeal against
examiner's decision of rejection]

[Date of extinction of right]
